<input type="checkbox"/>	Brief Project Description _____	<input type="checkbox"/>

Required Documents

- | | | |
|--------------------------|--|--------------------------|
| <input type="checkbox"/> | • Drawing showing the location and size of the pool, spa, and all related equipment, including height. | <input type="checkbox"/> |
| <input type="checkbox"/> | • Drawing showing the size, height, detail and color of the equipment screen or landscape screening. | <input type="checkbox"/> |
| <input type="checkbox"/> | • Photograph of the adjacent property directly across from the equipment location. | <input type="checkbox"/> |
| <input type="checkbox"/> | Pools/Spas, above ground spas and other related equipment will be installed in accordance with City of Lincoln Municipal Code and SCLHCA Design Guidelines, with a minimum five-foot (5'-0") setback from all property lines to the edge of the water. | <input type="checkbox"/> |
| <input type="checkbox"/> | Fencing will comply with the minimum height and detail requirements for pool fence enclosures. Refer to Checklist 09 for the fence style at golf course and open space rear yards. | <input type="checkbox"/> |
| <input type="checkbox"/> | All equipment visible from the street or neighboring property will be screened by a structure no higher than six inches (6") above the equipment, or by plant material of adequate density to accomplish the same result, when planted. In no event will the equipment or screening height exceed five feet (5'-0"). | <input type="checkbox"/> |
| <input type="checkbox"/> | The screen design conforms to the design of the home, in style, detailing, materials and color. If a stucco finish is used the paint color will match the home's main body color. | <input type="checkbox"/> |
| <input type="checkbox"/> | The timeline for completion of work is within 180 calendar days from the start of work and must be completed before the one-year approved application period expires. | <input type="checkbox"/> |
